JIHYUN KIM

Toronto, Ontario | jkim565@my.centennialcollege.ca
linkedin.com/in/jihyun-kim-34ba30346
Seeking a four-month co-op for January-April 2027.

PROFILE

Software Engineering Technology - Artificial Intelligence student with frontend contributions to an award-winning team project and Oracle SQL coursework. Interested in web applications, data, business systems, and user-centred products. Brings international customer service experience and cross-cultural communication skills.

TECHNICAL FOUNDATION

Programming and web: JavaScript, HTML5, CSS, Python, C#; React coursework in progress.
Databases and tools: Oracle SQL, SQL Developer, SQLite; project exposure to Django, jQuery, and AJAX.
Academic foundations: Data integrity, database constraints, requirements engineering, Unix/Linux.
Languages: Korean (native), English (working proficiency).

EDUCATION & QUALIFICATIONS

Centennial College | September 2025 - Present
Advanced Diploma, Software Engineering Technology - Artificial Intelligence (Co-op), in progress.
Expected graduation: December 2028.

Multicampus | May 2021 - October 2021
Certificate, Big Data-Based Intelligent Service Development. Completed 844 hours of K-Digital Training.

Hanyang Women's University | March 2018 - February 2021
Associate Degree, Dental Hygiene.

Dental Hygienist Licence | South Korea | 2022

SELECTED PROJECTS & COURSEWORK

Zipbob | Front-End Team Member | October 2021
Contributed HTML5, CSS, and JavaScript interface work to a Django/SQLite recipe recommendation service. Collaborated in a five-member team; the team received the Multicampus Top Excellence Award.

Auto Insurance Database | Oracle SQL | COMP 122 | 2026
Created three related vehicle, driver-licence, and insurance tables with primary/foreign keys and CHECK constraints. Inserted 12 sample records and documented SQL statements and execution results.

SQL Queries & Record Maintenance | Oracle SQL | COMP 122 | 2026
Queried the supplied JustLee bookstore database using SELECT, aliases, DISTINCT, and filters. Created a student table and practised INSERT, UPDATE, and DELETE statements.

ADDITIONAL EXPERIENCE

Starbucks UK, London - Barista | May 2024 - January 2025
Handled customised requests and worked with colleagues during peak-hour service.

The Oulim, London - Exhibition Operations Staff | October 2024; October-November 2023
Supported international visitors and on-site requests at exhibitions held at Saatchi Gallery.
